

DEAN'S ADDRESS FOR FIRST MBBS STUDENTS

Dr Kajal Mitra gives the success mantra to I MBBS Students

Dr Kajal Mitra, Dean NKP Salve Institute of Medical Science & Research Centre & Lata Mangeshkar Hospital Nagpur in his address to 2020 batch I MBBS Students said that to be successful one has to nurture his/her passion and then subsequently form a strategy to implement the same. He said long term goals are important and to reach that one must have formulated short term goals. Regular studies, sincere and committed efforts towards the challenging years ahead will only lead to success, he said. He also reminded them that the pattern of teaching and learning will see a sea of change in this professional program and will need a paradigm shift in the thinking process from teacher centered to student centered.

Earlier Dr Vilas Thombare, Vice Dean informed about anti ragging measures taken by the institute. Dr Suresh Chari, Director IQAC, Research & MET elaborated about the various MET programs and research opportunities for undergraduate students in the institute.

Dr Anne Wilkinson and Mr Mitelesh Bagde presented glimpses of the institute. The HOD's of Anatomy Dr Rajesh Dehankar, Physiology Dr Manish Sawane, Biochemistry Dr Madhur Gupta and Community medicine Dr Aniruddha Deoke welcomed the first MBBS students. Second year student Miss Khushbu Lohiya (MBBS 2019 batch) and Miss Avantika Thombare, Intern, spoke about their experiences as students of the college. Dr Chaitanya Shembekar gave the parents view of the college.

The students took the blessings of their parents before entering this profession and the dean Dr Kajal Mitra gave them an oath before entering this noble profession.

Dr Tasneem Ansari conducted the proceedings. Dr Archana Nikose introduced the Dean and Dr Neena Nagdeo proposed the vote of thanks.
