

Inauguration of Renovated Physiology department

The newly renovated department was inaugurated on 15/02/2021. The guest for the event was Dr. Vijaya Tajne, ex professor, GMC Nagpur. Honorable Chairman Shri. Ranjeetbabu Deshmukh, Working chairman Dr. Ashish Deshmukh and Dean Dr. Kajal Mitra graced the event. They first took a round of the office, HoD's chamber and the staff rooms. All the faculty members have been provided with separate cabins. Then the new renovated Clinical laboratory was inaugurated at the hands of the Chairman Sir. The Clinical Lab area as per NMC's criteria has been increased to 220 m². Dr. Tajane inaugurated the Hematology laboratory. Both the laboratories are well equipped as per norms of NMC along with separate teaching area having facility of live streaming. A new research laboratory of 50m² area, departmental library and a demonstration room with internet facility and audiovisual aids have been made available. A lot of brain storming, planning, time, sweat and hardwork has gone in renovating the department. At the same time the management also took utmost care to leave no stone unturned. The Head of the department Dr.M Sawane gave personal attention to the smallest of things and the other teaching and non teaching staff members also took interest and worked hard in completing the target.
