

## World Hearing Day celebration at Department of Otorhinolaryngology

World hearing day is held on 3<sup>rd</sup> March of every year all over the world to raise awareness on how to prevent deafness & promote ear & hearing care across the world. Nation-wide disability survey has estimated hearing loss to be the second most common cause of disability. Hearing loss affects one's ability to communicate with others. Our department celebrated this day by organizing a camp for hearing test & speech therapy. Mrs. Jambhulkar VP of All India wives of CRPF officer association was present as the chief guest. 3 Autistic children from CRPF were given speech therapy sessions & hearing assessment of these children were done. Hearing testing & assessment of OPD patients were done for free of cost. 14 more autistic children are registered for hearing evaluation & speech therapy. Vote of thanks was given by Dr. Vivek Harkare. All departmental staff members were present on this occasion
