

## **COMMUNITY MEDICINE DEPARTMENT EVENTS**

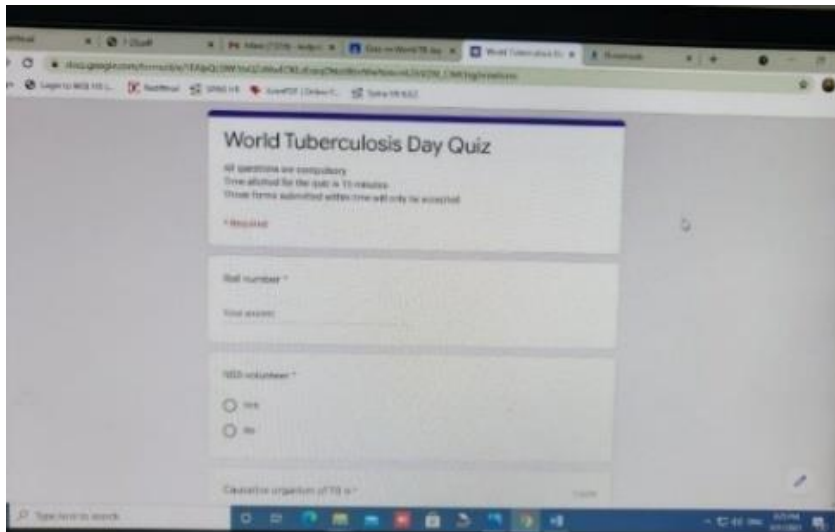

### **International Womens Day Celebration**

International Women's Day is globally celebrated annually on 8<sup>th</sup> March to commemorate the cultural, political, and socioeconomic achievements of women. It is also a focal point in the womens right movement, bringing attention to issues such as gender equality, reproductive rights, and violence against women. Theme for this year – “Women in leadership: Achieving an equal future in COVID 19 world.” On this occasion interns posted in the department made poster on the theme. Poster was displayed in front of Dean Office for awareness. Also Interns stated about the tremendous efforts by women and girls around the world in shaping a more equal future and recovery from the COVID-19 pandemic.

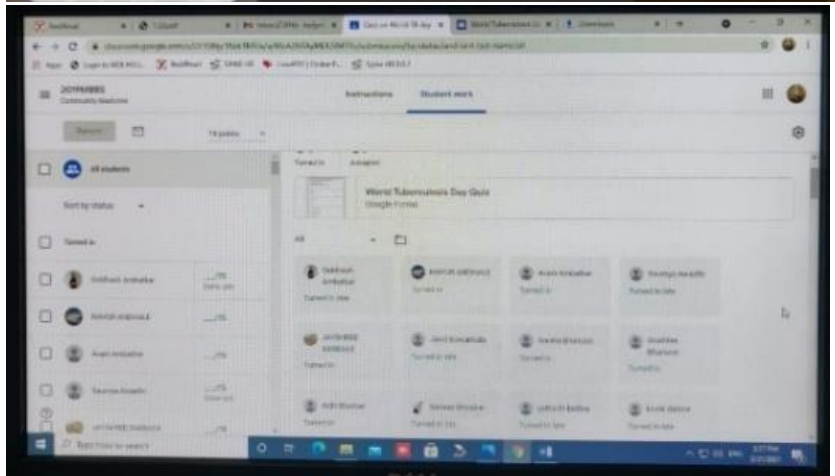

### **World Tuberculosis Day**

World Tuberculosis Day 2021 is observed on 24 March every year to raise awareness about tuberculosis in the world. The theme for this year is “THE CLOCK IS TICKING”- conveys the sense that the world is running out of time to act on the commitments to end TB made by global leaders. Department of Community Medicine in coordination with NTEP Medical Officer Dr. Shashi Kalantri conducted online Quiz among MBBS- 2019 batch students on google classroom. Out of 148, 66 students responded among which 51 were NSS volunteer.
