

Medical Education Technology Unit

Express to Impress: A two day workshop on public speaking & presentation skill

A two day workshop on public speaking & presentation skill for MBBS students – 2019 batch was organized by Medical Education & Technology Unit of N. K. P. Salve Institute of Medical Sciences & Research Centre and Lata Mangeshkar Hospital, Nagpur on 11th May & 12th May 2021 under able leadership of Dean Dr. Kajal Mitra. The participation for the workshop was restricted to only 20. Dr. Suresh Chari, Director, IQAC, MET & Research Cell, NKP SIMS & RC and LMH, Nagpur was the faculty for the program. Although it's always challenging to hold skill development workshop in the online mode, the faculty used a creative method of involvement. The participants were given assignments the previous day of day one, and the output sessions were given peer feedback as buddy responses. For day 2 situational assignments were given one day prior which were peer evaluated & faculty gave tips to each participant on content, audience analysis and style. The participants benefited a lot since as UG students they have to make research presentation and seminars. The event was coordinated by Dr Arti Kasulkar, MEU Member and Associate Professor, Department of Forensic Medicine & Toxicology, Dr. Madhur Gupta and Dr. Anne Wilkinson, Secretaries MEU.
