Inauguration was done at the hands of Working Chairman, Dr Ashish Deshmukh Sir, in the presence of Hon. Dean, Dr Kajal Mitra Sir, Vice Deans (Academic and Clinical) and other dignitaries.

The Bone sets were donated by the Alumni Association, NKPSIMS & RC and LMH. The students will now be able to issue the bones.

Dr Mohana Majumdar, Director General Administration, Dr Rajesh Dehankar, Asso. Professor (Anatomy) and Dr Sanjay Walulkar, Asso. Professor (Anatomy), worked towards setting up and organizing the inaugural function of the Bone Library.

## **DONATION OF O2 CONCENTRATORS**

The Gandhian Society and The GoFundMe team "raising funds for a hospital in Nagpur" – Lubaina Maimoon, Amrita Vijay Jain, Deepa Nanwani & Simran Nanwani, helped collect funds for 10 O2 Concentrators in the USA. These concentrators were delivered to NKP Salve Institute of Medical Sciences & Research Centre and Lata Mangeshkar Hospital on the 24<sup>th</sup> May 2021.

This has brought us closer to fulfilling the basic healthcare need in India during this terrible pandemic of COVID-19. Their support goes a long way in helping us to take care of the needy patients.

We, at NKPSIMS & RC and LMH are catering to patients from Nagpur city as well as rural parts of central India. All the faculties, resident, doctors, interns, nurses and support staff are working round the clock since last one year in the services of COVID patients. We are happy to provide care to all patients regardless of their ability to pay. The hospital would not be able to do all this without the support of a caring community. This pandemic has brought the entire global community under one roof and we are grateful to people like The Gandhian Society and the GoFundMe team for making this world a better and safer place to live in.
